Southern Japan Tour

With seven days to explore west of Japan, a region untouched by most international travelers, you will have a breathtaking trip to learn about Japan's stunning natural, urban and cultural diversity. In a week, you will not only visit the beautiful, natural activities in Kyushu but also a number of the UNESCO's World Heritage sights in Hiroshima and Himeji. Starting from Osaka, your tour will go through Shikoku and Kyushu Island and end in Osaka where you can enjoy the nightlife that Japan's second largest city has to offer. This is truly an unforgettable experience.

Southern Japan Tour

Overlooking the island-strewn Inland Sea, Western Japan has plenty to lure the travelers starting with Hiroshima, a city whose tragic history is brightened by its present-day vitality. Not far away, the island of Miyajima is home to Japan's most iconic sight: the floating torii (shrine gate) of Itsukushima shrine. The Southern Japan Tour also features Shikoku. Relatively few foreigners visit this island, but those who do visit can expect a friendly welcome and a chance to discover a glimpse of an older, quieter Japan.

You will travel by bus, train, and ferry boat. You will stay at fine western style hotels as well as a Japanese ryokan where you can experience onsen hot springs and delicious traditional Japanese cuisine. Southern Japan tour is a unique tour which will provide you with an unforgettable Japanese experience.
