# Takayama Festival Tour

The main event of the tour is to visit Takayama, a deep mountain village of Honshu to join one of the most beautiful festivals of Japan, which is held annually on the 14th-15th of April and 9th-10th of October. The festival makes you feel as if you have time slipped back to 15th century Japan, with its costumes and music performances, and the townscape of the traditional village. Fully Escorted Tour Package

## Takayama Festival Tour

One weekend in spring and autumn, Japan's hidden cultural heart Takayama comes alive with matsuri, one of Japan's most beautiful festivals. During the year, the tall and beautifully decorated floats are stored in storehouses, which are scattered across Takayama's old town. Several of the festival floats are decorated with so called karakuri ningyo, sophisticated mechanical dolls that can move and dance. The streets filled with crowds decked out in their fine kimono add to the wonderful festivities.
